lobster diving       other, such as clams, octopus

2. (if more than one fishery in question 1): Do you usually go fishing at only one of the fisheries or do you visit several during one fishing trip?

**GENERAL INFORMATION SURVEY**

**Target group: key people, groups of fishers, fisheries officers, etc.**

1. Are there management rules that apply to your fisheries? Do they specifically target finfish or invertebrates, or do they target both sectors?
  - a) legal/Ministry of Fisheries
  - b) traditional/community/village determined:
2. What do you think – do people obey:  
traditional/village management rules?  
mostly  sometimes  hardly   
legal/Ministry of Fisheries management rules?  
mostly  sometimes  hardly
3. Are there any particular rules that you know people do not respect or follow at all? And do you know why?
4. What are the main techniques used by the community for:
  - a) finfishing  
gillnets – most-used mesh sizes:  
What is usually used for bait? And is it bought or caught?
  - b) invertebrate fishing → *see end!*
5. Please give a quick inventory and characteristics of boats used in the community (length, material, motors, etc.).
