Confidentiality of Information Supplied

- All data supplied in this questionnaire will remain strictly **CONFIDENTIAL** in accordance with the Kiribati Statistics Act, 1977.
- The information you give will be combined with information from other households to produce accurate and up to date statistics on the income and expenditure patterns of households.
- The information will be used solely for statistical purpose **ONLY**.

Who must complete this questionnaire?

- This questionnaire must be completed for **all** persons who normally reside in the household aged 15 years and over.

Recording Dollar Amounts

- Record whole dollar amounts in Australian (AUD) Dollars. If the income was received in any other currency, then convert the amount to Australian Dollars.

Survey period

- All information in this questionnaire relates to the reference period specified for that particular question.

Income questionnaire

- This questionnaire has seven sections. You will be asked to provide the following information:
 1. Working for Wage and / or Salary
 2. Agriculture, livestock, fishing and other sales
 3. Other Self Employed & Business Operations
 4. Previous Jobs held in the last 12 months
 5. Services Provided to Other Private Households
 6. Welfare Benefits/Allowances
 7. Other Income, including Remittances

1. Working for wages and / or salary

- Cross check with the Household Control Sheet to find the number of persons aged 15 years and who have ticked either activity 1 and 2 as their main activity.
- Check if other persons aged 15 years and over who are not currently working had work during the reference period. Note here and refer to Section 3.
- Self-employed persons, employers with employees and persons working for wage or salary on a full time or regular part time basis should complete this section.

1.1 Currently working for pay

- **‘Currently’** means at the date of the interview. Records should be for the job that the person is doing now.
- **‘Main Occupation’** is the main job a person is engaged in, such as a *taro grower, poultry farmer, truck driver, dental nurse*, etc.
- **‘Name of Employer’** is the name of the business or the name of the person, a person is working for, such as the *Education Department, Primary School, National Development Bank of Kiribati, Koil*, etc.
- **‘Type of Sector’** is the sector for which a person is working in. The *Public Sector* includes all government departments and bodies; the *Private Sector*; *Religious Organisations* and *Other Organisations*.
- **‘Main Activity at Place of Work’** is the main type of industry for which a person is engaged in, such as *agriculture, fishing, manufacturing, printing, public administration, teaching, health services*, etc.
- **‘Hours worked’** is the number of hours usually spent on the job (including overtime).

1.2 Earnings from job in last 12 months

- **‘Gross Pay’** means before any deductions from pay such as *PAYE tax, loan payments, superannuation, union fees, rent, mortgage repayments, insurance premiums*, provident fund, etc.
- **REFER TO PAYSLIPS IF POSSIBLE**
- Make sure an annual figure is provided

Details of Tax Deductions

For the first \$2,700 a person earns it's tax free
For money exceeding \$2,700 then 20% tax is paid

2. Agriculture, Livestock, Fishing and Other Sales

NB: For all of section 2, make sure only the sales and expenses relevant to the household are included.

2.1 & 2.2 Agriculture:

For estimated sales, provide a best guess estimate as to what the sales would have been for each item over the last 30 days.

For estimated expenses, provide the expenses incurred over the last 30 days only, to assist with the production of these crops which were sold – examples may be for fertilizer or tools (used mostly for the crops sold), or payment (including “in-kind”) for labour to a person outside the household.

If expenses are incurred for crops grown which are home consumed as well as sold, try to determine what proportion of the expenses would have been on just the crops sold.
