# Questionnaires

## Overview

---

The Questionnaire format was basically structured after the 2000 Census questionnaire, however, there modifications made to its content (question structure) in terms of question revision, deletion, and insetion.

These modifications were guided by contributions from the relevant departments/agencies (i.e., FSM Department of Health and Social Affairs, States' Department of Agriculture, etc)

There are three forms used in the collection of the 2010 Census data

Questionnaire: This is the main data collection form, with 11 pages. It has 3 main sections - Geographic ID section (page 1), Housing and Household Questions section (page 2), and the Persons Questions section (pages 3 to 10).
